IMMEDIATE ACTION PLAN - HWY BLOCKADE

If DPP members observe an imminent highway blockade and form reasonable grounds an offence is about to be committed, officers will intervene to prevent a blockade if it is safe to do so. If unable to prevent, DPP members will isolate, contain and control the area and engage PRT and ERT immediately.

IMMEDIATE ACTION PLAN - HWY BLOCKADE ESTABLISHED

If DPP members arrive at the scene of an established blockade, members will isolate, contain and control the scene, establishing traffic control points to divert traffic to ensure safety to all involved.

IMMEDIATE ACTION PLAN - COUNTER PROTESTS

If a counter protest occurs, uniform will assess, engage PRT and attempt de-escalation. If escalation occurs, ERT will attend, form a line and establish a secure perimeter/line between protesters and counter-protestors, articulating where the line/perimeter is to protesters/counter-protestors. If the line/perimeter is breached, members must for obstruct police or any other related offence, if it is safe to do so.

IMMEDIATE ACTION PLAN - CRITICAL INFRASTRUCTURE COMPROMISE

If on top of critical infrastructure (Ferry Station, Tunnel, Police Station, or significant city infrastructure) is suspected, reported or substantiated by critical infrastructure stakeholders or police officer. The Critical Incident Commander shall be notified immediately and determine the appropriate response.
